

The Interest Fair is Coming!!

Dear Parents and Students,

Our Interest Fair is almost here! **March 1st, 2016** is the big day here at Roosevelt & Alliance. Congratulations to you for participating in this opportunity. Our Interest Fair is meant to be a learning experience for your child as well as all students that observe the project in its final form. This is a family project and so I encourage you to enjoy guiding your child in getting the project all wrapped up.

Interest Fair Schedule

Tuesday, March 1st -

7:30 - 8:15 am . . . Projects may be set up in the gym

- Please find your child's name in order to know where to set up the project.

Please note: Students may not stay in the building without parent supervision. There is supervision on the playground.

9:00 - 11:30 am . . . Evaluators will meet with participants

12:00 - 3:00 pm . . . All classes will tour the fair.

Mrs. Chrisman will hand out medals to participants

5:00 - 7:00 pm . . . Families tour the fair. Projects are cleaned up and taken home.

Your child will need to have their completed **report** AND **display** the morning of the fair in order to receive a medal. Also, students should be prepared to talk to the evaluator about their project. This is the best part of the project! Students should explain their project and tell what they learned and enjoyed. Encourage your child to practice what they want to say! They might want to practice several times in front of an adult to help them be prepared.

Please contact me at mchrisman@neenah.k12.wi.us or 751-6970 with any last minute questions.

~Mrs. Chrisman
