

Interest Fair Project Information

To begin a project, you will want to choose an interest area or hobby that you want to learn more about. This may be an interest you have had for awhile or it could be a hobby that you would like to start. In any case, this project should challenge you to learn something about this interest/hobby. If it is a hobby you've had

Display Ideas

- Develop a board game, trivia game or card game about your hobby in which the player would learn more about this interest area
- Create a visual display of artifacts, pictures, souvenirs, collections, etc
- Make a labeled chart, diagram or model of something used in this hobby
- Develop a graph that illustrates information
- Make a picture collage or scrapbook of your project process
- Display clothing worn to do this hobby (you could be part of your own display by dressing in costume)
- Create a brochure that advertises this interest
- Write and illustrate a book about your hobby
- Develop an imaginative newspaper with articles discussing current issues relating to your interest area
- Make trading cards with pictures on one side and information on the other
